

Point of Sale System

Internet

Insecure and a War Zone

Secure Environments

How do We Assure that you are you

- Multi-factor Authentication is required
- Biometrics and a physical card is effective
- Mobile Phones is a great option
- NFC and Contact should be considered
- Security and defining Trust are key

Cards and Certificates are the Key

- Security and Certificates
- The way to create irrefutable digital trust
- A forensically safe card
- Serving the one to many relationships of our clients
- Contactless and Contact

With Visual, magnetic stripe, OCR and barcode backup

My Wallet

A New age device that understands
that you are an individual with
unique requirements.
